

COMMUNITY WORKSHOP
La Cañada Flintridge
General Plan Update 2030
May 10, 2007

POSITIVE QUALITIES / COMMUNITY ASSETS:

Note: Issues in black font are from GPAC; issues and/or additions in blue font were added by the public at the workshop. Each attendee was given 3 dots to place next to the assets they thought were the most important to retain. The numbers to the left of each statement reflect the number of votes given to each.

4	Single-family low-density character
1	Small town feeling
4	Excellent school system / district
	Accessible, approachable community institutions
1	Charter <u>General law</u> city & contract city form of government
1	Local business friendly
	Concerned, caring, involved citizens
3	Quiet, safe neighborhoods & city (low crime rate)
	Community pride
11	Trail system
8	Open space (natural & parks)
	Beauty of community (natural, landscaped, trees, mountain views)
1	Semi-rural atmosphere (No street lights)
16	The ability to keep animals (e.g., horses, dogs, alpacas, cats, etc.) within commuting distance to downtown LA, Burbank, etc.
9	Cohabiting with wildlife
1	Multi-ethnic
2	Flintridge Riding Club (an 86 year old club)
	Private schools
	Privately owned restaurants, not chains
	Shops/retail (bookstores, coffee shops, etc.) are pedestrian friendly
	JPL
	Beautification of Foothill Boulevard is good, but pop-out planters block visibility and access
	La Cañada Flintridge Country Club

Additional Discussion Re: Assets:

- The community is unique, and it's the **combination** of key assets, within community distance of the greater LA area, that makes La Cañada Flintridge unique.
