

“Station Fire” Update (as of August 27, 2009, 7:30 p.m.)

- **The “Station Fire” started at approximately 4:00 p.m. on August 26, 2009**
- **The location is near Mile Marker 29 on Angeles Crest Highway in the Angeles National Forest (approximately 5 miles from LCF)**
- **Approximately 300 acres burned**
- **The fire continues to burn to the northwest towards Big Tujunga Canyon (near the ridge of Mt. Lukens Truck Trail)**
- **Another fire along Angeles Crest Highway, north of the Angeles Crest Ranger Station is burning southeast**
- **The fire break at the top of the hill is holding and the fire has not crossed**
- **10% percent containment**
- **No structures burned or threatened**
- **Winds have not changed**
- **There is no imminent threat to the community unless winds shift significantly (not anticipate by LA County Fire)**
- **Water drops over brush will end at nightfall, however will resume to protect structures**
- **Angeles Crest Highway remains closed until further notice**
- **Review your individual preparedness plans and continue to monitor local news and this website for updates**
- **The City will notify residents via its reverse 911 system if there is an imminent threat to the community (land lines only)**

Please return to the City’s website for updates on the Station Fire, on the hour. Next update – 8:00 p.m.
