

“Station Fire” Update (as of August 27, 2009, 10:00 p.m.)

- The “Station Fire” started at approximately 4:00 p.m. on August 26, 2009
- The location is near Mile Marker 29 on Angeles Crest Highway in the Angeles National Forest (approximately 5 miles from LCF)
- Approximately 300 acres burned
- The fire continues to burn to the northwest towards Big Tujunga Canyon (near the ridge of Mt. Lukens Truck Trail)
- Another fire along Angeles Crest Highway, near the Angeles Crest Ranger Station is burning southeast
- A voluntary evacuation order has been issued to the area from La Canada Blvd on the west, Vista Del Valle on the south, Angeles Crest Highway on the south, Starlight Crest Drive on the south, Greenridge Dr. on the east, and all this area to the north
- No structures are burning or immediately threatened
- There is no imminent threat to the community unless winds shift significantly (not anticipate by LA County Fire)
- Water drops over brush will end at nightfall, however will resume to protect structures
- Angeles Crest Highway remains closed until further notice (residents only past Starlight Crest Dr.)
- Review your individual preparedness plans and continue to monitor local news and this website for updates
- Heed suggestions from fire personnel in your neighborhood
- The City will notify residents via its reverse 911 system if there is an imminent threat to the community (calls to land lines only)

Please return to the City’s website for updates on the Station Fire, on the hour. Next update – 11:00 p.m.
