

“Station Fire” Update (as of August 28, 2009, 5:00 a.m.)

- The “Station Fire” started at approximately 4:00 p.m. on August 26, 2009
- Approximately 400 acres burned
- The western fire continues to burn to the northwest towards Big Tujunga Canyon (near the ridge of Mt. Lukens Truck Trail)
- The eastern fire along Angeles Crest Highway, near the Angeles Crest Ranger Station is burning southeast along the ridgeline and is also north of Greenridge Drive and Starlight Crest.
- A voluntary evacuation order has been issued to the area from La Canada Boulevard on the west, Vista Del Valle Road on the south, Angeles Crest Highway on the south, Starlight Crest Drive on the south, Greenridge Drive on the east, and all the area to the north; a reverse 911 message has been sent to residents in this area; the evacuation location is La Canada High School
- The Pasadena Humane Society is available at La Canada High School for pet care/shelter
- Heed directions from deputies and fire personnel in your neighborhood
- No structures are burning or immediately threatened
- Approximately 10% containment
- There is no imminent threat to the community unless winds shift significantly (not anticipate by LA County Fire)
- Water drops over brush will end at nightfall, however will resume to protect structures
- Review your individual preparedness plans and continue to monitor local news and this website for updates
- The City will continue to notify residents via its reverse 911 system with critical public safety information

Please return to the City’s website for updates on the Station Fire, on the hour. Next update – 6:00 a.m.
