**NOTICE:** Use of unauthorized waste haulers for any project may result in the suspension of building inspections and permits, and the forfeiture of recycling performance securities. La Cañada Flintridge Municipal Code requires that only authorized waste haulers transport any type of solid waste in the City including roofing tear-off and construction and demolition debris.

**BINS IN RIGHT OF WAY:** If bin is in the public right-of-way, you must have a Permit through City of La Cañada Flintridge Dept. of Public Works.
