

LCF Chamber of Commerce Closed to Public – Effective March 19th

In order to do our part in reducing the opportunities for transmission of the COVID-19 coronavirus, the LCF Chamber will follow the City by closing to the public effective Thursday, March 19 and through March 31, 2020 (subject to further extension), the following measures will be implemented:

- LCF Chamber of Commerce will be closed to walk-in traffic by the general public;
- Appointments can be scheduled so that our residents, businesses and public may continue their business transactions with the Chamber;
- Residents and businesses are encouraged to visit www.lacanadaflintridge.com for Chamber information and can use the "Contact Us" form on the website or call 818-790-4289 for appointments;
- No public events are currently planned during this time, however, all private events open to the public of 50 or more people should be cancelled. For events of less than 50 people, social distancing, hand/washing facilities, signage discouraging those who are sick from attending, and frequent cleaning and disinfecting is mandated;
- Pursuant to the Los Angeles County Public Health Department's March 16 order, the Lanterman Auditorium has been closed and all previously scheduled events have been cancelled;
- Regular City Council and Commission meetings will continue to be held, however, only so long as there are essential business items to be considered and acted upon. Non-essential meetings will be cancelled. Please check the City's website for agendas and notices of cancellations www.cityoflcf.org. For meetings that are held, in order to encourage and maintain social distancing at these meetings, we encourage the interested public to participate electronically rather than physically attend. Each posted agenda will contain information on how to participate electronically. Physical attendance is permitted so long as social distancing is maintained;
- In accordance with the Los Angeles County Public Health Department's March 16 order, all bars and pubs (that don't serve food), fitness centers, gyms, movie theaters, auditoriums, should already be closed to the public. Restaurants can maintain operations provided food service is via take-out, drive-thru or delivery only. For complaints, please contact the Crescenta Valley Sheriff's Station at (818) 248-3464;
- "Thank you" to our local Gelson's Market for making "Seniors Only" shopping available to seniors (65+) daily from 7 a.m. to 8 m.

- A special e-mail address has been established to respond to concerns or questions from the community regarding the City's response to the current crisis. Please feel free to e-mail them at covidresponse@lcf.ca.gov and the City will respond.

Additional information and updates to this Alert will be posted periodically to both the City and Chamber's website.
