

**Second Stimulus and
What it means for the
Small Business
Owner.**

PAYCHEX[®]

HR | Payroll | Benefits | Insurance

Requirements:

In order to qualify for this round of PPP funding the requirements are:

- Business with under 300 employees
- \$2M Cap (Per Business)
- Operated Before February 15th 2020
- 25% or more Revenue loss (Showing the reduction in gross receipts from any quarter in 2020 relative to that same quarter in 2019)
- Borrower can choose either 8 or 24 weeks to use the loan funds
- Borrower must agree to comply with requirements to OSHA/safety including injury & illness prevention plan

What are the Eligible Expenditures?

The last round of the stimulus was limited to three categories of Payroll, Rent/Mortgage, and Utilities. This round includes all those and...

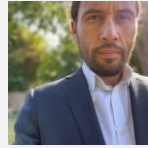

- PPE Equipment
- Expenditures to a supplier of goods that are essential to the operations of the entity
- Expenditures that allow a business to comply with requirements or guidance issued by the CDC, HHS, and OSHA
- Payroll Processing & Human Resources Service Cost (Intro HR solutions are a little as \$200/month)
